

# Rady Safouane

---

## Educational stage :

I got my baccalaureate in science physics

I studied economy for a while after highschool in college (Ibn Zohr) but i didn't get a degree

## My skills :

Simple level at speaking french

Good level at speaking english

Good level at montaging videos

Good level at using photoshop

## Goals after getting a diplomat :

Working in a moroccan company in the digital development department to gather a lot of experience and also keep learning new things in my field, and also if i have the chance i would like to keep studying (If i can work it out while working)
